

## WELCOME & EVENTS COMMISSION

### Member Expectations and Guidelines

Chairperson: Tina Driscoll

The commission will develop detailed plans that cater to diverse interests, abilities, and age groups, all while adhering to budget, rules, and regulations. They will ensure ongoing communication with the board for approvals and may recruit additional volunteers if needed. The commission will also keep thorough records of plans, budgets, receipts, and outcomes. They will also discuss and reflect on feedback after events to enhance future activities.

Additional duties may include organizing and delivering welcome bags to new residents.

The commission will meet as needed. Please be aware that organizing these events demands a significant time commitment. We plan to host four major events each year, one per season, along with some smaller events such as movie nights. We are looking for 5-8 active members with excellent communication skills.
